

The Opportunity – Agrifinance Specialists

- Boutique Rural Finance business with strong track record
- Proven framework for engagement, marketing & relationship management
- Uncapped earning potential. We set you up for success
- Initial training, ongoing mentoring and administration support

Our Company: North West Agrifinance is a privately owned, client centric financial services firms built on the principles of knowledge, expertise, integrity and service, a model which has proven highly successful for over 20 years. Our head office is in Tamworth, servicing regional Australia. Our team understand and pursue a primary business goal, which is to build and protect the wealth of our family businesses over future generations.

Who You are:

- You are self motivated and driven
- You have the banking and finance knowledge combined with a practical understanding of the issues of regional and rural Australia
- You want more work life balance and be in control of your own destiny
- You want to build a business using the systems and methods that we have created and that have been successful.
- You want to be a part of a team of like minded people who share your passion and enjoy what they do

You will possess:

- Energy, drive and infused proactivity to succeed
- Strong PC literacy / Microsoft Office Suite
- Excellent analytical skills
- Refined time management skills
- Strong attention to detail and follow up
- Solid relationship building and management skills
- Excellent verbal and written communication skills

You will need to complete a Diploma of Financial Services or Certificate IV in Financial Services (we can help with this). The balance of training, systems and software we will provided. If you are articulate, flexible and have the ability to see the big picture then get in touch. We will help you balance raw ambition and hard work, ultimately leading to success.
