ASSISTANT RELATIONSHIP MANAGER

"I love to see people succeed, life on the land isn't easy & it's great knowing I can help"

PROFESSIONAL & PERSONAL SUMMARY

Since 1990 North West Agrifinance has been helping our client's obtain the appropriate lending solutions from the multitude of lenders in the market, saving them time and money.

Belinda's passion for agriculture started at a young age, where she was born and raised on her parents sheep and cattle property at Wallabadah. After completing a Bachelor of Livestock Science at University of New England, Belinda's interests lead her into the ruminant nutrition industry, where she has spent the past several years working in Southern QLD and Northern NSW with a large range of rural clients.

Belinda and her husband Joel reside at Gowrie, where they spend most of their time competing their horses & trading a few cattle.

A lifelong affiliation in the agriculture industry, combined with several years of practical experience gives Belinda the understanding to provide high quality service that North West Agrifinance is renowned for.

She is able to assist with all your finance requirements including rural and commercial loans, SMSF lending, equipment finance, lender negotiation and refinancing. She also has expertise in cash flow budgeting, enterprise analysis, development modeling and interest rate risk management.
